Dear Kevin:

We are pleased to report that we have just received an official Notice of Allowance from the U.S. Patent and Trademark Office on the above-identified patent application. It is now only necessary to pay the required patent issue fee by **October 26, 2007** in order to have your patent issued. Our normal practice has been to pay the issue fee about two weeks ahead of the due date unless notified that an earlier payment should be made.

If, within about four months from now, there will be an inventor address change from what is shown on the original declaration, please let us know and we will notify the U.S. Patent and Trademark Office accordingly.

If you desire a quantity of copies of the patent as it is issued, please let us know at this time. Good quality printed copies can now be obtained for \$3.00 each, with a minimum order of 10 copies. Copies ordered at a later time are not always of the best quality.
